Our vision is to share the Good News of salvation, healing and deliverance to the world in accordance with the commandment which the Lord spoke unto His disciples, *"Go into all the world and preach the gospel to every creature"* (Mark 16:15).

We minister to people from all walks of life, communicate the biblical truth by preaching and teaching the Word of God in our daily services, media, print, etc. We also offer, spiritual counseling to people who desire to rebuild their lives and

establish a strong relationship with the Lord Jesus Christ, and thereby, experiencing God's love, forgiveness and acceptance.

We lead people by teaching them to cultivate a new mind set and to be transformed by the renewing of their mind so that they can experience a new life in the Lord. *"Finally, brethren, whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy - meditate on these things"* (Philippians 4:8).

ONE NATION AT A TIME

The Temple of Restoration is a ministry committed to spreading the gospel of Jesus Christ to nations across the world. What sets this ministry apart from others with the same mission, is its commitment to seeing the lives of those who enter a TTOR branch or crusade experience the life-changing power of God.

Since its opening in the year 2000 until now, The Temple of Restoration has bore witness to thousands of people who've testified that attending TTOR services, counseling sessions and prayer meetings has changed their lives. On a weekly basis, servants of God at TTOR receive accounts of financial breakthroughs experienced by those who attend financial services and healing miracles from those who attend healing prayer services. For those who attend family and deliverance services, many have attested that they've seen palpable positive changes in their personal lives and households.

Amongst the most common accounts of how lives have changed at TTOR are testimonies from those who have:

- been healed from terminal diseases
- received their green card or permanent residency in the United States
- received freedom from the burden of unemployment
- begun to experience peace in their homes (including restoration in their marriages)
- deliverance from sleepless nights and depression and much more

However, with all these good things happening within the four walls of its churches, servants of God at TTOR have never rested in being content with its level of effectiveness. As a ministry that started with

TTOR has committed itself to reaching as many people as possible across the globe so they can experience the power of God which has the ability to change lives.

one location in the heart of Brooklyn, NY, The Temple of Restoration began expanding by opening additional church locations for people to experience the power of God. Today, you can find TTOR branches in various parts of New York, New Jersey, New England and our international branches are located in Brazil, South Africa, Cape Verde and Trinidad.

In the year 2016 alone, The Temple of Restoration has inaugurated churches in Africa, Brazil and Trinidad while also doing mission work in Haiti and Jamaica. All of the events held in these countries have been great opportunities for TTOR to be a beacon of hope to those in need. In addition to services and crusades being held, TTOR has been able to give resources, both spiritually and physically, to those who are bound and in need of help in each of these geographic locations. Most importantly, the gospel is revealed to everyone who attends the services/crusades and attendees are taught to fight in prayer for the things in life they are entitled to through the sacrifice of Jesus Christ.

When you enter the doors of a TTOR location men and women of God will use the bible to teach you that God's intentions towards you are that you would prosper and be in good health even as your soul prospers. You learn not to be passive in accepting the bad cards life has dealt you. You get to understand that God loves

you and wants the best for you and has given you a roadmap (the Bible) to help you navigate through life in a way that will empower you to bear good fruit.

In addition, the pastors and servants at TTOR take time to pray for every area of your life that is lacking. Every TTOR service is packed with prayers we believe provoke changes in the lives of those who attend. However, counseling sessions are also available for attendees where they can schedule meetings to sit down with a man or woman of God, explain their personal circumstances to them, and then receive counseling and prayer that meets their individual needs. A prayer line is offered via telephone where callers can call in and receive prayer for anything they request and the ministry's website enables everyone the opportunity to submit their confidential prayer requests electronically.

No matter where the future finds The Temple of Restoration, the ministry will always stay true to its mission: heal the sick, deliver the bound and spread the Good News of Jesus Christ. We believe it is the will of God for His people to experience His goodness. For this reason, TTOR has committed itself to reaching as many people as possible across the globe so they can experience the power of God which has the ability to change lives.

Cabo Verde

WHAT A BLESSING! This was all I could think about when I experienced the multitude at our TTOR Inauguration in Sao Vicente, Cape Verde. **WHAT A BLESSING!**

They came from all sides of the island to participate in the inauguration of the Temple. Some took cabs, other buses, while still others walked miles to get there! It was such a blessing. The power of God was present and lives were changed for the glory of God. My God never ceases to amaze me. He is an awesome God. No one can compare to Him; no one and nothing can even come close! Hallelujah!

Over two thousand people came and many were blocked off by police authorities due to the multitude pressing their way into the building. The street was cordoned off; nevertheless, the multitude pressed through the blockade to at least stand on the actual street where the church is located. I vividly remembered the story of the woman with the issue of blood. The Word of God tells us that she was sick and tired of her situation and when she heard that Jesus was passing by, she was determined to get to Him and she did! Though it was hard for her because she was weak and sick, she pressed her way through the crowd

TTOR CAPE VERDE Sao Vicente Inauguration

and she touched Him (see Matthew 9:20-22). She received her healing right there and then.

Many received a touch from God right there and then. As I observed the people, I understood how much people just need God. People all over the world are hungry for God, hungry for something deeper than what they're used to and for the power that He has. My dear reader, He is faithful. Keep your heart clean and your mind on Him. You will experience things that you could never have imagined! When God begins something, He will see it through until the end. YOU are God's treasured possession. He will do a work in you that

only He can and His name will be glorified in your life.

May the overflowing blessing that was present in Cape Verde reach you where you are today and do something extraordinary in your life. Be blessed.

Brazil

Earlier this year, The Temple of Restoration initiated steps to take the gospel to Brazil. What began as crusades expanded into the opening of six TTOR branches throughout Brazil. Over the summer, a team of Bishops and Pastors from TTOR embarked on a journey to effectively expand the work being done there in South

America. This resulted in a series of services and crusades that drew thousands of people seeking the manifestation of God's power in their lives. We recently spoke with Bishop Angelo's wife, Mrs. Elizabeth Barbosa to hear her account of the events that took place during that mission trip.

TTOR BRAZIL Q & A WITH MRS. ELIZABETH BARBOSA

VOR: How would you describe the impact that TTOR has had on the people of Brazil?

Mrs. Liz: *TTOR strives to take the unedited Living Word of God to the nations. The impact that the Word of God has on lives is like none other. It is life changing and brings salvation. Brazil is not only embracing TTOR with open arms but it's also experiencing a new, fresh anointing of God's power!*

VOR: If you could sum up the work being done in Brazil with one scripture, what would that scripture be?

Mrs. Liz: *"Behold, I am doing a new thing! Now it springs forth; do you not perceive and know it and will you not give heed to it? I will even make a way in the wilderness and rivers in the desert." God is doing a new thing in Brazil. He is mending broken hearts, healing wounded spirits, and renewing minds through His Word.*

VOR: What was your most memorable moment during the mission trip in Brazil?

Mrs. Liz: *My most memorable moment is always the same wherever I go: the sight of people surrendering their lives to the LORD. There is nothing more memorable and impactful than seeing people accept Jesus Christ as their LORD and Savior and begin a new life.*

VOR: How many branches of The Temple of Restoration are there currently in Brazil?

Mrs. Liz: We currently have six branches in Brazil.

VOR: What goal has The Temple of Restoration set for building church locations in Brazil?

Mrs. Liz: *Our goal has been and will always be about saving souls. It's wonderful to visit countries and share the power of Christ to the nations, but what then? When we leave, what happens? We understand the dire need of constant care for the souls to whom we minister to, thus we*

try to attend to that need as much as we possibly can.

VOR: How would you describe the people that walk into the doors of TTOR Brazil on a daily basis?

Mrs. Liz: *The Brazilian people are loving and humble people, many of whom have experienced the hardships of life. Like anyone else, they are in search of something greater than what they have experienced their whole lives. I had the pleasure of sitting with quite a few women and hearing their stories. Women, who came through the doors of TTOR down, abused, depressed, suicidal, with broken homes, full of faith and hope that their situation was about to change for the better. Many during our time there did see the change they so desired. To God be the glory!*

VOR: So, how are the needs of the people in Brazil different from the needs of the people in America?

Mrs. Liz: *The needs of people in general are the same. Though people may seem very different, people really are the same. I have traveled to*

different places in the world and one thing that does not change is people's needs. There is a need for love, acceptance, self-esteem,

respect, etc. People just want to be happy. Isn't that what's right? No matter where I go and who I sit down with, whatever their age, social status, income, culture, or background, everyone wants to be happy in life. And we as believers have the answer to their dilemma: Jesus Christ!

VOR: What is your heart's prayer and desire for the people of Brazil?

Mrs. Liz: *My heart's prayer and my soul's desire is that everyone who enters through the doors of TTOR, not only in Brazil but wherever there is one, that person finds Christ and develops a personal relationship with the LORD. I want to see TTOR's people converted to Christ wholeheartedly and not simply convinced mentally of what He can do. God wants to do more than simply bless you; He wants to make you a blessing!*

JAMAICA

CRUSADE 2016

Earlier this year, the people of Jamaica, West Indies experienced a move of God in a mighty way. For the second time, The Temple of Restoration visited the country to minister and pray for the people in a two-day Healing and Deliverance Crusade. The event, which took place in the auditorium of Merle Grove High School, was packed to capacity as people of all ages from all fourteen parishes came out in droves to experience God's Mighty Power that would indeed change their lives. Led by Bishop Angelo Barbosa, thousands were touched by the presence of God. Many were healed of their afflictions and delivered from strongholds the enemy had placed on their lives, and most importantly, many surrendered their lives to Jesus Christ.

At the end of each night, many testified about the Power of God they had experienced. One attendee, a young man, testified that prior to attending the event on Day 2, his intention was to kill 6 people that evening. As he walked past Merle Grove High School, he witnessed the crowd entering the school grounds and heard the preaching. Out of curiosity, he went inside to see for himself what was taking place. Greeted at the door by a pastor, he broke down and told the pastor about his intended plan. While speaking with the pastor, the young man was invited to stay for the duration of the event. During the service, the Holy Spirit convicted him and changed his heart. To God be the Glory!

Throughout the two days, it was evident that those who attended were in desperate need of a touch from God. They entered through the doors with an expectation that God would change their lives, heal their bodies and set them free. He did not disappoint those who believed. On the second night, each attendee received prayer, a bottle of anointing oil and a package containing food items. Everyone was truly blessed by that 2-day event and received more than they ever expected.

We, at The Temple of Restoration, stand in obedience to God's Word and are on a faithful mission to preach the Gospel of Jesus Christ to all the nations – Mark 16:15.

ANOTHER DOOR OPENS...

TTOR TRINIDAD

I N A U G U R A T I O N

On June 26, 2016, another door of restoration and hope was opened with the inauguration of The Temple of Restoration, Trinidad. Yes, we now have our very own branch stationed in Chaguanas, Trinidad.

Throughout the process of opening this new door, God has shown His faithfulness in allowing The Temple of Restoration to truly live up to its name and nature. God has been doing great works there by drawing people to crusades and strengthening the bishops and pastors to lay the foundation of a solid Christian life in the hearts of the people in TTOR Trinidad. He has blessed numerous families; He has healed the sick and set captives free through the relentless work of His servants stationed at TTOR Trinidad.

Since our first successful weekend crusade on March 6, 2015 until now, there has been a miraculous move of God in TTOR Trinidad. Visitors and members are testifying daily, baptisms are being held regularly, and deliverance is available to all who enter and open their hearts. They are allowing the Lord to have His way in their lives and the outpouring of testimonies at the inauguration was certainly proof of this. This is all the more reason to rejoice at yet another branch of The Temple of Restoration being opened. These open doors are signs of great expectation and hope being brought to a place that is in desperate need of it. Lives must be saved. Life stories are bound to change, and restoration and deliverance are offered to all at the sound of new doors opening here at The Temple of Restoration.

RISE UP HAITI

CRUSADE

On August 20th and 21st, 2016, The Temple of Restoration visited Haiti for the first time in a two-day deliverance crusade that has now become the beginning of the Uprising For Haiti. Led by our Senior Pastor Bishop Angelo Barbosa, the theme of the

crusade was "Leve Kampe Haiti" which means "Stand Up Haiti". The idea of this crusade began as a wish made during the Jamaica crusade. It became a reality with the blessing of Bishop Angelo and was seamlessly executed by one of TTOR's devoted members.

With the help of some members, pastors, bishops and servants of TTOR, the Haiti Crusade was a great success and there is already a demand for TTOR's team to return. The venue was the Palais Municipal in Petionville Port au Prince. It was packed with hundreds of Haitians each day awaiting the word of God from Bishop Angelo, a man whom they never heard of and speaks a different language; it was a phenomenon by itself.

Bishop Angelo arrived in Haiti the day before the crusade and that night, along with one of TTOR's pastor and two bishops, he visited the Shalom Church, which has one of Haiti's biggest congregations. At the stroke of midnight, he was given the microphone for what the Haitian people thought was going to be a short introduction of TTOR's crusade; but instead, they were

blessed with the word of God for well over an hour, leaving them feeling the Spirit of God and asking who is Bishop Angelo Barbosa?

During the two-day crusade, it was clear that the people of Haiti were touched by God's presence. Each night was filled with Haitian guest pastors preaching the word of God and singers to get the people up and moving in preparation to receive the bishop's uplifting words.

faith that God will be with them through it all if they believe and stay in faith. This is what the crusade did for the people of Haiti: allow them to feel the touch of God, give them hope and strength to lift themselves out of their trials and tribulations and rise up. **Ezekiel 37** was the message that was brought to the people of Haiti and received by the people of Haiti. As the bishop chanted, "Leve Kampe Haiti" everyone joined in, you could hear

The people not only listened attentively to his words but also allowed themselves to accept and receive it even though it was through an interpreter. The Crusade was televised throughout Haiti to allow everyone who was unable to attend the event to receive the message and experience the same blessing as those who attended. It was also broadcast on the radio for all to hear.

Today, the people of Haiti are still talking about the bishop they saw on TV or heard on the radio. Communities are buzzing with how moving the experience was and how the Bishop gave them hope that they will come out of their trials stronger and the

and actually see the people of Haiti rising up and telling themselves, "Enough is enough! I surrender to God and through faith will allow Him to lead the way and yes, I will rise up!"

The Temple of Restoration and the Haitian community have joined together to embark on a sacred mission, one of faith and deliverance. The Haiti crusade has initiated something great and blessed, and the seeds sowed by TTOR crusaders will be remembered forever.

MY NIECE RECEIVED HER HEALING

HERESA CALLISTE - BROOKLYN, NY

Thank God for all His blessings and the great miracle He has done for my niece. She is 4 years old, lives in Grenada, and had been suffering with one of her kidneys, which was not functioning at all. My brother called me to say that she was having surgery to remove the kidney, but I was trusting in God and standing on His Word for complete healing for her. She went into the hospital that Tuesday morning and was lying on the hospital bed ready for the doctors to begin.

That same morning, I went to the Healing Service, anointed her picture and began to claim healing over her life. I asked God to do a miracle, so His name could be glorified. While I was in praise and worship, I began to cry and the Holy Spirit said, "Don't cry; it is done."

I just began to thank God. Then the Bishop said there is a family member that is having a procedure done, but don't worry because God has already healed them right there. I took hold of the word and I said, "*Kariell, you are healed in Jesus name!*" That afternoon, I got a call from her parents that my niece no longer needed her kidney removed! It was working fine and they just had to flush it out. The non-working kidney now became a working kidney!

I give God all the glory and praise! I want to say to everyone that there is nothing that God cannot do, just hold on to His words and don't give up. Don't let the enemy take over. We are God's children. Thanks to all the bishops and pastors that God has been using to save souls from the enemy's hand. God is good. Amen!

GOD GAVE ME FAVOR

KEIBU MORTON - MOUNT VERNON, NY

After graduating from college, I decided to purchase an affordable vehicle out-of-state. When I returned to New York, I encountered problems registering it and many more thereafter. Finally, the dealer decided to look for another car for me. He said he couldn't find one I would like in my price range but sent a picture of one that might interest me. It was a better car but too expensive, so he said he'd see what could be done.

He called back with an offer to purchase the vehicle at cost, which meant he wouldn't make a profit. He also offered to deliver it and pick up the other vehicle.

In addition, he sent a check to cover one week's rental, while I waited for the delivery.

Everything went as he said. I told him I didn't use the check and he told me to keep it. God favored me by releasing a nicer vehicle and extra cash. When you trust God and believe, He gives you His very best! To God be the glory!

GOD IS A PRESENT HELP IN TIME OF TROUBLE

NEVILLE JOLLY - BROOKLYN, NY

In April, at the monthly Communion of Healing Service, the bishop had us raise our hands in the direction of our homes and he made a strong prayer for our homes, our loved ones and families.

As we arrived home and parked, my daughter received a call from my granddaughter in Atlanta saying that her mother's house in Orlando was on fire and the fire department was there.

My daughter in Orlando told us that at 8:50pm she was going to drive to a nearby store to buy snacks while her children were sleeping, but the garage remote door did

not work. She manually opened it to go and planned to check the circuit breaker when she returned, but she had a very strong feeling that she shouldn't go. How many know the Holy Spirit is our Helper and our refuge and strength according to Psalm 46.

When she reached the circuit breaker, she smelled smoke and found that the bathroom and her bedroom were on fire. She woke the kids, called 911 and they all got out of the house safely, 8:50pm was about the same time Bishop made that prayer for our families. Alleluia! The Lord proved Himself truly as a present help in times of trouble to my family and I.

I GOT MY BREAKTHROUGH

JEMIMA ISHBELLE RICHARDSON - BROOKLYN, NY

I was facing a financial drought for a while. Believing God for a breakthrough, I sowed a seed. On two consecutive Winners' Nights, the Bishop told us to buy a purse/wallet and a pen. To God be the glory, I was blessed with both. I was trusting and standing on God's promises.

The Bishop said one Friday night to expect good news. I claimed it in Jesus name. The following Monday, I got an email from the bank in my country saying that they have some money for me and they wanted to know how I would like it sent. When I asked, I was told it was

a huge amount. This was all before my birthday and because of this, I was able to fulfill vows and be a blessing to those who were there for me when I was down and out.

I just want to give God all the praise and thanks for blessing me financially. I thank the bishops and pastors for teaching me to stand and apply God's word to my life and the assistants for agreeing with me in prayer. To God be the glory.

GOD GAVE ME VICTORY

AWILDA MORTON - MOUNT VERNON, NY

Six years ago, I walked through the doors of The Temple of Restoration, Mount Vernon with issues in my life that I considered normal. For the past decade, my paycheck was being garnished and although this was occurring, I did not adjust my tithe but simply continued tithing off my gross. God always provided, so I never prayed specifically for that issue.

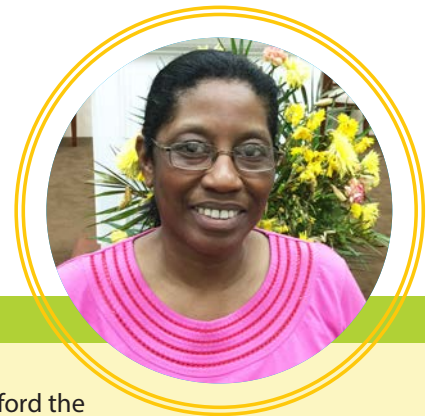

During this year's Month of Sacrifice, the pastors prophesied that God was going to break things that

had been in our lives for a long time. They said, "This is our season!" I received it and decided to invite God into this specific area: the garnishing of my pay. I was dedicated and consistent with my link of prayers.

On May 27th, two days before Sacrifice Sunday, I received a letter informing me that all income executions have ceased. This meant that my paycheck was no longer going to be garnished. God came through for me after one month of consistent praying, fasting, and believing that He is able. I thank God for the teaching at TTOR, the pastors and for giving me victory!

I THANK GOD FOR HEALING AND BLESSING ME

SOPHIA MITCHELL - IRVINGTON, NJ

I would like to give God all the honor and praise for His loving kindness and tender mercies. I have two testimonies.

Since I started attending The Temple of Restoration, I have seen changes in every area of my life. Several years ago, I was diagnosed with Lupus. At first, I was devastated on hearing the news. I was immediately placed on treatment to combat this horrible disease. After 3 years, I received somewhat good news that the Lupus was in remission, but I believed for more. Over the summer, I visited my doctor and was informed that I was totally healed from Lupus. To God be the glory for His faithfulness.

Also, for several years I was under a lot of financial

stress and could not afford the basic necessities. After learning to put God first, I started seeing changes because of my trust in Him. God started to open doors for me and I am now able to pay bills on time and have a savings account. This is the year of Abraham and I can say I am now beginning to see the blessings of Abraham in my life. I have peace of mind because I am able to meet every monetary obligation, pay my tithes and help others from time to time. I have learned that faith without works is dead. So, now I trust in God and put His word into practice and the result has been a blessed life; I know this is just the beginning. I give God all the glory.

I AM HEALED AND SET FREE

BENJAMIN GUIA - MOUNT VERNON, NY

Before I came to The Temple of Restoration, I was always sick and had a lot of problems and unresolved issues. I was associating with the wrong people in my life who turned out not to have my best interest in mind. They took advantage of me causing much harm. In addition, I was also dealing with post-traumatic stress disorder (PTSD) for over twenty years, which resulted from witnessing a traumatic event in childhood.

When a friend introduced me to TTOR, I decided to give it a try because everything else I attempted did not work. After attending the services, I started to receive my deliverance and learned how to use my faith. I also learned the significance of tithing and sowing seeds, and prayer and fasting, which helped me grow deeper in my faith. Gradually, the problems started to disappear and I stopped getting sick all the time. Those

wrong people who had been in my life, along with the voodoo they placed on me to stop me from succeeding, were no longer there. Recently, I was healed and set free from PTSD and it felt great!

My confidence has skyrocketed. I am able to stand tall in any situation and I am being looked at in a positive way. My mental clarity has also increased. To those of you who are reading my testimony and are struggling with PTSD and have tried everything, do not give up or lose hope. There is a place for you at TTOR where Jesus is changing lives. The word of God said in Proverbs 3:5-6 *"Trust in the Lord with all your heart, and lean not on your own understanding; in all your ways acknowledge Him, and He shall direct your paths."* Come on in, the doors are always open!

MY GOD GRANTED ME VICTORY

STEPHANIE MELO - PAWTUCKET, RI

What started out as a happy relationship with hopes of building a family turned out to be physically, mentally, emotionally and verbally abusive. We moved from Rhode Island to Florida when my son was four months old where our relationship came to an end because I could no longer put up with the abuse. I decided it was best for my children and me to move back to RI where we would receive support from my family. This caused my son's father to file a motion for child custody.

This custody battle was very demanding emotionally and financially. My son was 2 ½ when the battle began and for 3 years he was back and forth between his father and I every 3 months. I was also back and forth to the court in Florida, which was very burdensome for my daughter and I. I accumulated lawyers' fees.

During all of this, I was attending a church and participated in the women's group there. However, there was a calling to do more about the situation in addition to prayer. I heard about The Temple of Restoration through the Moment of Hope program and decided to attend the service. The pastors encouraged me to be persistent and also to apply faith in action with my prayer request. I attended the Friday services faithfully and believed that God would grant me the desires of my heart. I was encouraged to stand on the word of God and I sowed a sacrificial seed for this custody battle during the Month of Sacrifice.

July 8th was the trial and I am excited to say that God granted me victory. I have the majority of custody for my son and he gets to visit his father during school vacations. I thank God for his faithfulness and for The Temple of Restoration.

I RECEIVED MY MIRACLE

DEBBIE TAYLOR - JAMAICA, NY

I was trying to get my green card and asked God to speed up the process. I was believing for this miracle so by faith, I purchased my ticket in advance to go back to Jamaica with my family who were already citizens.

I came to church one Tuesday and the Pastor said "whoever is believing for their green card come to the altar" and she prayed. When she finished she said, "sow a financial seed with the expectation of receiving what you are believing for." I sowed a seed and two days later I received a letter requesting that I come in to do my

finger prints for my green card. Usually the process of getting a green card takes approximately six months, but in less than two months I received my social security and green card. To God be all the glory. I want to thank God for the miracle He has performed for me.

WE BELIEVED AND GOT OUR BREAKTHROUGH

SHAWN & CAMEAL WALKER - RAHWAY, NJ

My family has been attending The Temple Of Restoration at the Snyder location. When we first got there, we sat down with the pastor and shared an immigration situation we've been fighting in the courts for ten years. We were in removal proceedings and needed God to break this seemingly impossible chain. We needed a miracle!

The pastor prayed with us and gave us a few scriptures to confess over the situation. She told us to use the

anointing oil and just believe God. Long story short, we went back to court with an appeal for prosecutorial discretion and by the following week, our lawyer called us with the news that our appeal was granted. **WE ARE FREE! JESUS DID IT!**

Our family has been blessed in so many ways since we entered the doors of this church. We give God the glory and we thank the pastors and those who prayed and believed God with us for this breakthrough. Glory to God!

GOD BLESSED MY DAUGHTER AND I

LI PING WONG - JAMAICA, NY

I worked the night shift at a hospital for over 8 years praying that God would give me a day job; I also wrote weekly prayer requests. After my husband's death, I began having problems at work. I received a final write-up and decided to speak with my pastor. He prayed for a change at work or a new job and the very next day I was fired. I was going to say something but knew to put my trust in Jehovah.

That same week, my landlord asked us to move, my daughter learned she needed nearly \$6000 to get her degree released from school and the car broke down! I decided to thank God in advance for my new job, new home, my daughter's degree and my fully functioning

car. In less than two weeks, we found a new bigger, less expensive home with many new amenities. After that I received a new daytime job with weekends off and paid holidays.

Next, God turned my daughter's \$5697.63 tuition due into a \$50 balance! She used the savings to receive her masters in August. And the car was fixed! All the glory belongs to God! It may not make sense to trust Him, but I rather things not make sense and be blessed everywhere I go!

GOD SHOWED ME HIS FAITHFULNESS

DIANA CAMPBELL - JAMAICA, NY

I'm so blessed since coming to The Temple Of Restoration 2 years ago. I had a loan against my investment property for \$200,000, which was in default since I was unable to pay. The total I needed to pay was \$300,000 to refinance. In addition to this account, I had to pay an additional \$200,000 for the default plus fees. I also needed 50,000 to replace windows and I needed a new roof for my residence. It was very difficult for me to get a loan because I had just come out of bankruptcy.

After several months, I was formally approved for a high interest loan for \$300,000. At the closing, I was supposed to receive a cash pay out of \$60,000 for windows, the roof and to pay some bills. Things didn't turn out as expected and I was disappointed to only received \$15,000. As a result, the replacing of the windows and roof had to be canceled.

Today, I can say without a shadow of doubt, that God has turned my disappointments into joy. After faithfully tithing, sowing seeds, making sacrifices and giving my offerings, things are now in my favor. The windows are replaced and I didn't need a new roof as was suggested; all that was needed was some repairs. I just finished renovating my basement with new appliances and I'm getting ready to renovate the second floor. My apartment is finally renovated with the house having new gutters. This wasn't part of my plan, but God made a way. My mortgages and bills are up to date despite not receiving rent from one of my tenants for over a year.

God is a good God. I thank the bishops and pastors for teaching me how to trust God and have faith. Also, I want to thank all the assistants for their continued prayers and support. God has shown me His faithfulness again.

The Happy

True happiness does not come from possessing material things, but from who/what possesses you.

The happy woman... Who is she? Many believe a happy woman is a woman that has everything together. She's got a wonderful husband and perfect children. She owns her own home in a great neighborhood, she travels the world because she has a great paying job. She's a size four and never takes a bite of anything unhealthy. She is well known by her neighbors and drives the nicest car available for every year. Wow, this woman has it all...

Does she really though?

Society today has lied to us and has made us believe that happiness comes from material possessions. Women today are fighting, struggling, hustling, going without sleep, pushing themselves to the MAX simply in order to "be happy", for they automatically relate happiness to material possessions and this is simply NOT TRUE.

Woman

By Mrs. Elizabeth Barbosa

True happiness does not come from possessing material things, but from who/what possesses you. I know women who have many material possessions: they're at the top of their career, they have two or more homes, they have multiple degrees, they travel whenever they want, to wherever they want, but deep down inside, they're not happy. They have succeeded in gaining all this, but to what avail? What they need most, they don't bother to run after, which is the presence of God.

What makes a woman truly happy? Is it not the mere fact that she has a true relationship with the LORD? Is it not the mere fact that she knows she's never alone as long as she has a relationship with Christ? Is it not knowing that she is growing in her relationship with the Holy Spirit? If we honestly stop and think about this, the answer is YES! Material things are good to have of course, but they are also perishable. If a woman puts all her heart into them, she's hurting herself, for anything can happen to that specific thing and it become ruined, what then?

A happy woman is a woman who trusts in the LORD.
A happy woman is a woman who seeks the Face of God.

A happy woman is a woman that follows the lead of the Holy Spirit.

A happy woman is a woman who disciplines herself to obey the Word of God.

A happy woman is a woman who has her priorities straight.

A happy woman is a woman who sets boundaries in her life.

A happy woman is a woman who is optimistic and sees the good in everything and everyone.

A happy woman is YOU, if you so desire to be.

"Happy (blessed, fortunate, enviable) is the man who finds skillful and godly Wisdom, and the man who gets understanding [drawing it forth from God's Word and life's experiences]" (Proverbs 3:13 AMPC).

Be blessed.

WHY CAN'T MEN ASK FOR HELP?

A man might be facing marital problems, health issues, unemployment, bankruptcy, etc. and someone ask, "Do you need help?" and he says, "No, I'm fine" and walks away unaware that the person asking might be sent from God to help.

Why won't men ask for help?

Pride, ego, fear and family upbringing are just a few of the reasons. But the #1 reason? Most men believe they can handle life's challenges alone, even if their life is on life support. There are times when a man needs to face life's challenges alone and there are times when he needs help.

It's a strength - not a weakness - to ask for help. Here's why:

If you're facing life's problems alone, it's very easy to become overwhelmed and make bad decisions. You might be sinking in an "emotional quicksand" and unaware that you're in trouble. Other people can give you their perspective, hope, motivation and fresh ideas. That's why it's okay to say, "I'm having a difficult time, do you have any suggestions?"

Here are 5 tips that will make it easier to ask for help:

1. ELIMINATE YOUR EGO

EGO stands for Edging God Out. God can't work in your life when there's a wall of arrogance around you that blocks Gods blessing and this includes potential blessings from other people. Keep it real and let down the walls of "looking good".

2. SHARE AND BE VULNERABLE

A few months ago, we were having a meeting with the MEN'S Ministry leadership team. Ten guys were seated in a circle. Each guy was asked to share how

they were doing. Five guys in a row basically said, "I'm doing fine, everything is fine, etc." and the sixth guy said, "My marriage is in trouble". He poured out his heart and within 10 minutes, every guy was opening up about their challenges at work, marriage, family, etc. As a result, everyone received valuable feedback from each other but that didn't happen until that one man shared his true feelings. You must be willing to be open and "As iron sharpens iron, so one person sharpens another" (Proverbs 27:17 NIV). Iron sharpens iron when you're willing to be honest.

3. GOD MAY SEND TO YOU AN ANGEL IN DISGUISE

Sometimes the answer to your prayers might come from the taxi driver, delivery man, the brother sitting next to you in church, your mother-in-law, etc. God might speak to you through other people, be open to it. Start first with your leaders at church because of their connection to God.

4. SEEK OTHERS BY THEIR FRUIT (Examine their character)

Matthew 7:16 (NIV) says, "By their fruit you will recognize them."

5. YOU NEED TO BE PUSHED

I was recently at the gym and I watched a work out class. The music was blasting, everyone was yelling and clapping, and the instructor was encouraging everyone to work harder. "Give me fifty more push-ups. Don't quit. Don't give up". We all need the same type of encouragement with our work, family, relationship with God, etc. Being around the right people can give you the push you need.

MEN'S POWER
BREAKFAST

NOBODY LIKE GOD

There should come a time in every believers life where they get to understand that there's nobody like God. In the lives of such believers, life has taught them to have a mindset similar to King David who states in Psalm 20:7, *"Some trust in chariots, and some in horses; but we will remember the name of the Lord our God."* Who has the power to help you, heal you, strengthen you or deliver you during your times of desperation? There's nobody more qualified for the job than the Lord Jesus Christ.

The Next Level service for youth and young adults is a service where young people come to depend on God for guidance and help instead of putting their trust in the worlds system of trying to figure things out. Outside of the presence of God, there is a way that seems right to a man, but its end is the way of death (Proverbs 14:12). Jesus says He is the way to life and that means life in its most abundant form. Everything you can ever wish for and the answer to every problem you have can be found in the presence of God.

On the second Sunday of every month, at 6pm, young people from all walks of life gather together at The Temple of Restoration to search for answers and help from God in oppose to turning to the world for temporary relief from their issues? Join us at The Next Level Service for a time of fellowship, encouragement and taking our faith to the next level as we gather in the presence of the only One who will always be able to help us.

RESTORATION FAMILY FUN DAY

Family is defined as any group or persons related by blood. This year, The Temple of Restoration hosted its 2nd Annual Restoration Family Fun Day in North Granby, Connecticut. The park was completely sectioned off for The Temple of Restoration Family. There was an all-inclusive buffet and much more for the TTOR family to enjoy.

Each branch wore a different color t-shirt sporting the team name of their location. Some of the names were Dean Street Champs, Jersey Warriors, Mount Vernon Braves, New England Warriors, Queens Phoenix and Snyder Eagles. Each location definitely showed their team spirit. The Family Fun Day was surely a competitive one with the Snyder Eagles taking home the trophy. The locations competed in tug-of-war, volley ball and many other games.

For the sports lovers, there was every type of court you could think of and arts and crafts for those who enjoy crafts. There was face painting and pony rides for the children. The park was filled with activities for all ages and the swimming pools became the main attraction for many. There was also a live DJ and live performances featuring Eddie Neblett and the TTOR Praise Dancers.

The blood of Jesus has brought The Restoration Family together and continues to keep it together. Call 718-622-4821 for more information on how you can join The Restoration Family and be a part of the great things happening here at The Temple of Restoration.

THE TEMPLE OF RESTORATION OUTREACH MINISTRIES

PRISON OUTREACH MINISTRY

The purpose of the **Prison Outreach Ministry** is to bring the light of Jesus Christ behind prison walls by positively impacting the under-served community of incarcerated men and women. Many people are not aware, but there are many opportunities within this ministry to actively get involved helping men and women behind bars or be a support system for their families. The Temple Of Restoration Prison Outreach partners with other organizations that have paved the way for churches to volunteer in areas to crack the infrastructure holding men and women in physical and spiritual bondage.

The Homeless Ministry is comprised of dedicated men and women who want to make a difference in the lives of those less fortunate. The homeless ministry is about spreading the love of Jesus Christ in our communities, through our acts of selflessness by sharing an encouraging word, feeding the people, or offering prayer on their behalf. The excitement of going into the shelters knowing the people are looking forward to seeing us and the anticipation of what we have to offer is rewarding. The joy of being a part of the homeless ministry is having the confidence that we are making a positive impact in people's lives, whether by donating clothing, school supplies, or just giving out a healthy meal.

HOMELESS MINISTRY

EVANGELISM MINISTRY

The Evangelism Ministry is a ministry that spreads the gospel by reaching people who wouldn't typically consider coming to church. When we go out we invite people to God. We meet people from different walks of life; people with different religious beliefs and those who have lost their way in life. Evangelism isn't just about handing out flyers. It's about inviting people into the house of God believing that our encounter with them is no coincidence and will help bring about a positive change in their life.

ELDERLY MINISTRY

The Elderly Ministry consists of dedicated people whose aim is to bring about a change in the lives of the elderly by providing free services that include light housekeeping, grocery shopping, doctor visits, companionship and personal grooming.

Helping Hands Ministry is a faith-based social ministry of The Temple of Restoration. Faith-based social ministry refers to faith-based responses to social issues, linking faith to social responsibility. The mission of Helping Hands Ministry is to provide the community with social benefits that are based on biblical principles. Helping Hands accomplishes its mission via its community outreach programs. Our programs are based on biblical principles and focus on four areas: finance, health, family and youth enrichment. We minister to the “whole person” by addressing the social well-being needs of the community, in alignment with the evangelism outreach of The Temple of Restoration. We compassionately reach out to people in need and seek to change lives, empower people and transform our community.
